

EXIT LOCKDOWN

Avon Model Aero Radio Club's exit Plan/Strategy UPDATE
(Gordano & Hengrove Sites)
Revision 4

BMFA & AMARC Recommendations

AMARC's Exit Lockdown Plan/Strategy

- **MAX** number of **8 people per flying session** on site at any time
- 4 flying, 4 on the benches **rotating**
- Allow plenty of space between cars in car park
- Hand sanitiser should be considered an essential
- Maintain the '*Social Distancing*' at **ALL times** (at least 2 meters)
- Flight Benches to be spaced 3 meters apart (*you may want to wear thin gloves*)
Adhere to a One Way system when entering and exiting benches.
- Pilot/flying line - pilots to be 2 meters apart (club to mark or fence out area (see example)
Adhere to a One Way system when entering and exiting Pilot 'Pens'/flying line (zone).
- **Toilet is now available, hand sanitiser available in toilet.** There will be **no access to the** to power generation so members must make their own arrangements, and no central charging table or facilities.

AMARC's Exit Lockdown Plan

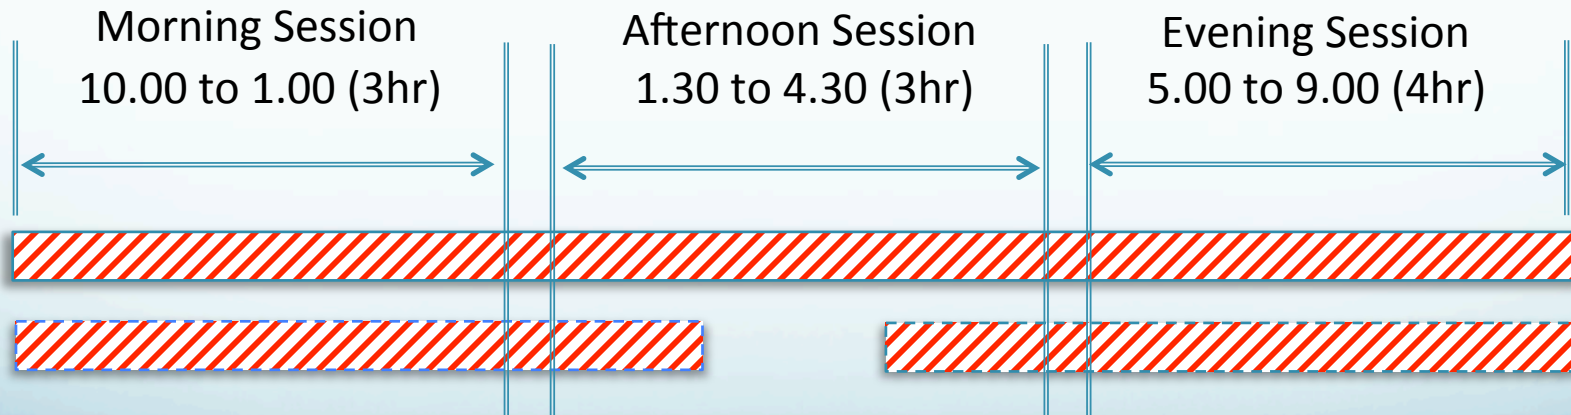

Flying Sessions – Gordano - Update

- Club house to remain closed unless in a emergency
- ONE Committee member on site if whenever possible
- Flying Days divided into 3 sessions,; *mornings, afternoon & evenings*
- **Morning session – 10.00 to 1.00 (3hr)**
- **Afternoon session – 1.30 to 4.30 (3hr)**
- **Evening session – 5.00 to 9.00 (4hr)**
- Use the **online Booking Tool** to book your session(s) via www.amarc2002.co.uk *
- **You can now book 1, 2 or 3 sessions per day**

AMARC's Exit Lockdown Plan

Flying times Recommendations - UPDATE

- Weekdays for non working flyers or shift workers i.e. NHS, Drivers etc..
- Weekends – priority to workers, but others can fly if space is available.
- Agree who fly's when – **use the online Booking Tool on our website.**
- **Be safe at all times, please.**

SESSION OVERLAP
(only if numbers allow (max 8x people in any session))
